INDEX.

NOTE.—This Index does not include the names in the Catalogues of books on pp. 18—20, and 268; the names of ministers on pp. 98—158, (which are alphabetically arranged on pp. 135—158;) the lists of Theological students (arranged alphabetically in classes) on pp. 186—190. The examiner is also reminded that a name may occur several times on the same page; and is also informed that names really identical, but slightly varying in spelling, such as CLARK and CLARKE, COOK and COOKE, PEIRCE and PIERCE, SARGENT and SARGEANT, are classed together. For General Topics, see CONTENTS, at the commencement of this volume.
